

Info about the European Championships in Brande 2023.

Adress:

Brande Pulling Arena
Frihedevej 4
7330 Brande DK

On the picture above you can see the directions for the teams to follow, to enter the arena.

For teams:

From the Danish borders go to the E45 to Vejle, and from there onto highway 18 route Viborg/Herning. Leave at the exit 12 Brande N and follow the map above. Right after the highway exit, there is a gravel road on your right. It will be marked with "Team entrance" or "Teams". From there you will come to the team entrance to the arena.

When you enter the arena, there is a white trailer with info. There you receive your tickets and get directions to your spot in the open pits. The plan for the open pit area will be posted on our Facebook page Thursday.

If you arrive in the middle of the night, please wait at the gate until the morning where our personnel will be at the trailer.

Info about the European Championships in Brande 2023.

In the Pit area there is room for one truck + trailer and one car/camper for each tractor taking part in the EC.

Friday latest arrive is 15.30, drivers meeting 16.00 and drivers' presentation 17.00

Saturday latest arrive is 13.30, drivers meeting 14.00 and drivers presentation 15.00

For visitors:

Entrance and also camping at the arena, is also located at Frihedevej 4, 7330 Brande.

Drive past the team entrance and you will come to the camping entrance. Further down the road there is parking for cars.

Entrance and prices for camping, can be found at our website:

<https://www.tractorpulling.dk/em/entre-billetter/>

General Rules of Brande:

- **Very Important!** Due to the environmental government of Denmark, there must be a plastic cover or tarp underneath the tractor every time it is parked. This goes for the open pit, and also for the closed pit area.
- **NO DRIVING AT OWN POWER** in the open pits. Only in the closed pit and competition grounds.
- In the open pit area, there must be a visible fire extinguisher at the team trailer, one for each tractor.
- Have in mind there is a lot of tractors at the event, also stock tractors. The stock tractors are allowed to run at their own power, in a slow speed.
- In the open pits, there are marked spaces between each tractor team. These are fire roads, and has to be free at any time.
- Draining water or other liquids on the ground is not allowed. (There are containers for this purpose – ask the DTP personnel for location)
- No loud music or running tractors in open pit area between 24.00 and 6.00. (Saturday evening not included, as long as the party is on in the big tent)
- **All flammable liquids** must stay in trailers at all times.

Party Friday and Saturday evening:

They have a party on Friday and Saturday evening after the pulling event.

The music starts right after the tractor pulling is over.

This year there will music by a disco, and they will play music to 2:00 a clock.

Price- and Trvelmoney:

Gardenpullers collect the money in the office at the end of the track.

All other payouts will be done by ETPC
